Employee Engagement Goal Setting

Employee Satisfaction Survey

Benefits Benchmark

Employee Welfare Consultancy service

Employee Satisfaction Survey

To enhance employee welfare programs and improve overall engagement, Rooted HR recommends conducting an employee satisfaction survey.

This survey serves as a valuable tool for gathering feedback and insights directly from employees, enabling organizations to identify areas of improvement, address concerns, and set meaningful engagement goals.

Benefits Benchmark

As part of the comprehensive employee welfare program provided by Rooted HR, conducting a benefits benchmark is crucial to ensure competitiveness and effectiveness.

By assessing and comparing the benefits offered by organizations within the same industry or market, Rooted HR can help clients design and implement robust employee benefit packages that attract and retain top talent.

Employee Welfare Policy

As part of the employee welfare program offered by Rooted HR, developing and implementing an employee welfare policy is essential in promoting a supportive and inclusive work environment.

This policy serves as a guiding framework, outlining the organization's commitment to employee well-being, safety, work-life balance, and overall welfare.

Organisation Re-structuring & Development

Rooted HR offers comprehensive organization restructuring and development services to clients, recognizing the need for adaptability and growth in today's dynamic business landscape. By analyzing the existing organizational structure, processes, and culture, Rooted HR provides tailored solutions to optimize efficiency, enhance productivity, and achieve sustainable growth.

Our methodology

Organizational Diagnosis and Analysis:

Assessment: Conduct a thorough evaluation of the client's organizational structure, operations, and

performance indicators. Identify Gaps: Identify areas of improvement, bottlenecks, inefficiencies, and obstacles hindering growth and development.

Talent Evaluation: Evaluate the competencies, skills, and potential of individuals and teams within the organization.

Organizational Restructuring:

Design and Implementation: Develop customized restructuring plans to align the organization with strategic objectives, redefine roles and responsibilities, and enhance communication and collaboration.

Change Management: Provide guidance and support throughout the restructuring process, ensuring smooth transitions, mitigating resistance, and maintaining employee motivation and engagement.

Restructuring Models: Offer various restructuring models, including downsizing, mergers, acquisitions, and departmental realignment, tailored to address specific organizational needs.

Survey & Assessment

Rooted HR Maturity Scan provides an overview of how mature your company is in terms of its digitalisation and digital transformation.

The digital maturity of your company is assessed across 8 key dimensions: for each dimension, we measure to which extent your company is digitally mature. The scale ranges from 1 (not digitally mature) to 5 (very digitally mature).

Strategy – is your company's digital strategy consistent with the company's overall strategy and conceived to generate customer value?

Governance – does your company have the right governance systems and structures in place to support its digital transformation?

Process – does your company leverage digital technologies to automate its processes and blend physical and digital customer experiences?

Talent – does your company hire, source and develop the necessary digital talent and skills to thrive in a digital age?

Culture – does your company foster a culture of agility, collaboration, growth and experimentation?

Technology – does your company have the technology needed to support its digital journey?

Data & Analytics – does your company leverage its data and make use of analytics techniques?

Leadership – is your company's leadership fully committed to your company's digital journey, and do they provide the necessary resources to support it?

In the charts below, you will find **your company's maturity score** across all key organisational dimensions in comparison to the **benchmark**:
